## GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. You can now get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Just massage Musterole in with the finger tips gently. See how quickly it brings relief—how speedily the pain disappears.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, bruises, chilblains, frost-bites, colds of the chest (it often prevents pneumonia).

## HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

Doctors prescribe

## Resinol for skin trouble

For over twenty years, physicians have relied on Resinol Ointment in the treatment of many skin and scalp troubles. They prefer it because it so quickly stops itching and burning, and clears away redness, rawness, crusts or scales. They know, too, that it contains only the gentlest of healing materials, which could not injure or irritate the tenderest skin. Why not try it for your skin?

Resinol Ointment and Resinol Soap are sold by all druggists. For a sample free, write to Dept. L-N, Resinol, Baltimore. Use Resinol Soap for your hair.

## BELL-ANS Absolutely Removes Indigestion. One package proves it. 25c at all druggists.

To Cure a Cold in One Day Take LAXATIVE BROMO QUININE Tablets. Druggists refund money if it fails to cure. E. W. Grove's signature is on each box. 25c

## FAILS TO GAIN TITLE

WEST DES MOINES OUTGAMED BY EAST HIGH AND LOSES STATE HONORS.

CHAMPIONSHIP MAY NOT BE DETERMINED

Marshalltown, West Des Moines, Sioux City and Algona Apparently Have Best Claim to High School Honors—Fort Madison and Milford Have Clean Records.

Special to Times-Republican.

Des Moines, Nov. 27.—Following the Saturday tie of West Des Moines by East Des Moines the state high school championship can be summed up in the following:

Sioux City—Tied by Fort Dodge. Fort Dodge defeated by West Des Moines.

Algona—Tied by Ames. Ames defeated by Fort Dodge and North Des Moines and tied by Marshalltown.

Marshalltown—Tied by Ames. Fort Madison and Milford—Undeclared and not tied.

East Des Moines tangled or untangled the state high school championship, Saturday, when it held the West Des Moines team to a scoreless tie and outplayed and outmaneuvered them in the annual battle. The result is all of the leading teams of the state at least tied while two teams who have played only in their immediate section have come thru the season without a defeat or a tie. There still is a possibility of a still further clarification of the title as Marshalltown is slated to meet on Friday for the Marshalltown game. The Fort Dodge-Algona game will bring together a team which has been welded together thru several years of training and one which has inherent strength as its largest asset.

Sectional Titles Well Defined.

One or two sectional titles seem to be well defined. Sioux City is master of all the northwest of the state. Dubuque has power over the upper part of eastern Iowa and Fort Madison at down river points, also it has not yet cleared the last hurdle at Keokuk. The prison city has secured a tie for a match for the Marshalltown game.

The Fort Dodge-Algona game will bring together a team which has been welded together thru several years of training and one which has inherent strength as its largest asset.

## O'CONNOR CASE UP

SUPREME COURT JUSTICE

GRANTS HEARING ON WRIT OF HABEAS CORPUS.

FINAL TEST OF SANITY OF PROMINENT LAWYER

Present Hearing Will Determine Whether O'Connor Will Go Free or Be Confined in Hospital for Insane

Judge Salinger Overrules State's Contentions.

Special to Times-Republican.

Fort Dodge, Nov. 27.—Judge B. J. Salinger, of Carroll, a justice of the supreme court, denied the motion of the state that he did not have jurisdiction to hear the application of Maurice O'Connor for a writ of habeas corpus, dismissed Mr. O'Connor's appeal to the district court here from the decision of the board of insane commissioners that declared Mr. O'Connor insane, and began taking testimony regarding Mr. O'Connor's sanity.

Justice Salinger ruled that Mr. O'Connor had two remedies after he was declared insane by the commissioners—either to appeal to the district court on the question of his sanity or to apply to the supreme court for writ of habeas corpus. Having elected to apply to the supreme court for a writ neither he nor the state will have any appeal from Justice Salinger's decision. The burden of proof showing his sanity now rests upon Mr. O'Connor. Should Justice Salinger be convinced after hearing testimony that Mr. O'Connor is insane he will issue the writ of habeas corpus. Should he be convinced to the contrary he will deny the application for the writ and Mr. O'Connor will stand committed to the state hospital for the insane at Cherokee.

The application for a writ from the supreme court is an entirely separate action, from any instituted in district court. It is not an appeal from Judge Wright's decision in district court here some time ago denying Mr. O'Connor a writ of habeas corpus. In ruling that

recovered the natural use of the limbs, Miss Grandeken is the first case at the hospital this year but they have several cases that have been receiving treatment that entered two or three years ago. Some of the other states have no orthopedic department in their hospitals are sending their patients to Iowa City and the total number is about 300.

Northwood.

Jens Nielsen, a tenant on the George Blocker farm in Kensett township, was arrested last Friday on the charge of having unlawfully taken five hogs belonging to Ray Boutelle, a neighbor, and brought them to Northwood for the purpose of later converting them to cash. Nielsen was arraigned before Justice Frank Forbes Friday night, and waiting preliminary examination, was bound over to the January grand jury, the bond being fixed at \$500. Being unable to furnish the bond Nielsen was confined in the county jail. Nielsen claims the five hogs belong to Boutelle and were taken by mistake as they looked very much like those of his own. Identification was made by means of ear marks made by the Boutelle hogs when they picked their cars by contact with the ecks of a pump jack in the feed yard.

Manchester.

John Archie Bealer, of North Fork township is defendant in three actions filed in the December term of the district court. He is charged with having operated his automobile in a careless and negligent manner on the morning of Sept. 25 along the Hawkeye Highway. Mrs. Jane McNary, her son, Norman McNary, and her daughter, Edna McNary, have each filed suit for damages claiming that while they were driving east along the Hawkeye the defendant came from behind at a high rate of speed, and ran into the McNary car, throwing the car off the road and turning it over. They claim that the young woman was thrown out of the car, and the mother, a woman of 70 years, was thrown under the car as it turned over and the son saved himself by jumping. Each claims serious injury and exemplary or punitive damages are asked because of the wanton recklessness of the defendant.

West Union.

At the annual meeting of the Fayette County Agricultural Society it was brought out that the Fayette county fair is the only one in the state that has shown a surplus every year during the past ten years, this statement including the great Iowa state fair, with its state appropriation. The past year was a record breaker, with total receipts of \$12,213.12, or more than \$2,500 above the previous year, which was in its time the largest on record. While there was \$1,769.84 cash on hand at last year's report, this year the society has a certificate for \$2,000 drawing interest, a checking account of \$592.98, and this after spending \$2,261.54 on improvements during the year. The society's thirty-seven acres of beautifully wooded grounds are valued at \$23,000, and are clear from debt. Items of interest were these, that the premiums paid last year amounted to \$1,182.50, besides \$1,435 in the speed department; while the total receipts for the night fair were \$794.85.

Grinnell and Vicinity.

Special to Times-Republican.

Grinnell, Nov. 27.—James S. Rollins passed his 80th birthday yesterday with the congratulations of many friends with their visits, messages and flowers. His daughter and her husband, Sherman Buchanan, and Miss Amy, came over by auto in the morning from their farm near Monticello and spent the day. Mr. Buchanan reports his hundred acres of corn averaging fifty bushels to the acre as all in the crib with twenty-five acres more in the shock for seed.

The Child Conservation League met this afternoon in the Congregational church with the following program. Quotations from "Foundation Stones on Kindness"; a paper by Mrs. W. B. Wilton on "Cruelty Not a Normal Condition of Childhood"; but a Result of Lack of Knowledge in Parents to Lead the Child; discussion, "Nature Study Thru Excursions in the Field, a Vital Necessity in Public School Work"; by Mrs. W. Architects Reimer and Herpin, of Marshalltown, were in Grinnell last week conferring with the committee appointed by the church and brotherhood to have charge of the plans for the new Sunday school building for the Congregational church. The work on plans and specifications is satisfactory as far as carried and it is hoped and expected they will be far enough along to have the question submitted to the church early in January next.

As Frank Bell and Irma Barnes, college freshmen, were attempting to cross Sixth avenue at High street on Friday evening a rapidly moving car struck them and both were severely hurt but not permanently so. Bell was thrown about ten feet and badly cut about the head and face besides being bruised on the legs where the car struck him. Miss Barnes was bruised about the head and had a knee badly bruised. She was taken to the college infirmary and her companion, who was taken to her room at the Hoyt house. At latest reports both were recovering with the expectation of being about their work early this week.

The congregation yesterday at the Congregational church held the pleasure of listening to a vocal solo, "Judge Me, O God," by Dickey Buck, as rendered by Amos Dorsey Cain of the school of music in the college here.

Friends of Mrs. Lillian Guinn, formerly librarian of the Stewart free library in this city, have word from her that she is now librarian in the Bradley Polytechnic Institute in Peoria, Ill., with seven assistants.

The body of Mrs. Elvina Wilson was brought to Grinnell on Saturday evening on its way to Montezuma for interment. Services were held in the Methodist church of that town yesterday afternoon. Mrs. Wilson died Thursday night at her home in Des Moines, at the age of 83 years. She and her husband were former residents of Montezuma. Mr. Wilson died there eight years ago.

At Bisbee, Ariz., on the 12th of this month, was celebrated the marriage of Miss Blanche Smith to Mr. Oscar K. Wiesner.
